

The Tahoe Yacht Club Foundation's goal is always to have the best boats in the world at the Lake Tahoe *Concours* for all to see in what has become **North America's premier wooden boat show!** We invite you to be a part of this year's show by taking time now – before the 2026 deadline – to complete and mail in your entry application. *(With the growing interest in participation and limitation of available berths at the site, timely application is essential!)*

The featured Marque Class for 2026 will recognize the Italian-built speedboats of Carlo Riva! The Riva name is synonymous with the highest standards of design, construction, and luxury. We are fortunate on Lake Tahoe to have the highest concentration of these spectacular watercraft outside of Europe, and we cannot wait to have them on display at this year's *Concours*.

With the unique slip arrangement at Obexer's Boat Company, we ask that you take an accurate beam measurement (at the widest point of the hull) and note it on this form.

Static boat displays (on land) will not be an option this year, outside of sponsorship displays or in the Field of Dreams.

Tell us **MORE** about the **HISTORY** of your classic boat

Lake Tahoe *Concours* attendees tell us they want to know more about the history of your boat. Please submit a history on your boat using the following structure:
--Due no later than June 7th--

- I. Brief Boat History *(250 words or less)*
- II. Any Unique Characteristics of the Boat *(125 words or less)*
- III. Any Awards Received

These stories, in addition to filling in the application questions on the following page, are interesting to the viewing public, so please help us tell more about your boat in this year's program by following the structured write-ups as notated just above. Anything written beyond these parameters will not be included in the program.

Send us your **BEST "ON-WATER" PHOTO(S)**

Part of the Entry Application is the requirement for **current color photos of your boat, either hard-copy on photo paper or high-resolution digital file(s).** Digital copy is best and can be emailed direct to neil@liquidblueevents.com

These photos and your other documentation will be used to decide if your boat is *Concours* quality. AND these photo(s) will also be used in the 2026 commemorative program. *(Note: Trailer shots and low resolution or poor-quality images will not be included in the printed program.)*

If in doubt, send more than one shot with your application. AND, if your photo has been taken by a professional photographer or publication, be sure to include photo credit/copyright information.

Your boat entry fee includes:

Each boat accepted into the 2026 Lake Tahoe *Concours d'Elegance* will receive:

- **Two (2) Two-Day Passes** to the *Concours* show, Friday, August 7, from 10a.m. to 4p.m., and Saturday, August 8, from 9a.m. to 4:30p.m.
- An **Exhibitor Gift Bag** filled with exclusive take-home gifts.
- **Two (2) Awards BBQ Reservations** to Friday evening's Awards presentation and catered barbecue, starting at 6:00pm, all on the grounds of Obexer's Boat Company, Homewood. (Aug. 7)
